The Seven Steps to Answered Prayer

The core of Kenneth Hagin 7 steps to answered prayer balance lies in a structured approach that enables believers to pray effectively. Each step builds upon the previous one, creating a comprehensive process that maximizes the likelihood of receiving answers from God.

Step 1: Believe You Have Received

The first step is to believe that the prayer has already been answered. Kenneth Hagin taught that faith releases the power of God, and once a believer prays, they must act as though the answer is already theirs. This step requires a mindset shift from asking to receiving.

Step 2: Confess and Praise

Confession of faith and praise to God are vital in maintaining a positive spiritual atmosphere. Praising God for what He has done and will do strengthens faith. This step involves speaking words of faith and thanksgiving, which reinforces belief and gratitude.

Step 3: Stand on the Word of God

Using scripture as a foundation for prayer is essential. Kenneth Hagin stressed the importance of standing on God's promises found in the Bible, which provides authority and assurance. This step involves declaring God's Word confidently during prayer.

Step 4: Pray in the Spirit

Praying in the Spirit, or praying in tongues, is a powerful way to align one's prayers with God's will. Hagin taught that this practice builds faith and edifies the believer, enabling more effective communication with God.
