Walkthrough by Mansion

Luigi's Mansion: Dark Moon consists of several distinct mansions, each with its own unique ghosts and puzzles. Below, we provide a detailed walkthrough for each mansion.

1. Gloomy Manor

Gloomy Manor is the first major area players will explore. This mansion introduces players to the basic mechanics of ghost-hunting.

Objectives

- Find the Dark Moon Piece.
- Capture the Portrait Ghosts.

Key Areas

1. Entrance Hall: Start your adventure here. Follow the tutorial prompts to learn the basics.
2. The Library: Use the Dark Light to reveal hidden paths and find the first Dark Moon piece.
3. The Bedroom: Capture the ghost known as the "Bookcase Ghost" by stunning him with your flashlight.

Tips

- Always explore every room thoroughly; hidden treasures are often found in corners.
- Use the Poltergust 5000 effectively by timing your captures right.

2. Haunted Towers

After Gloomy Manor, players will head to Haunted Towers, a vertical mansion filled with different floors and challenges.

Objectives

- Find the second Dark Moon Piece.
- Solve the elevator puzzle.

Key Areas

1. The Lobby: Use the elevator to access different floors. Pay attention to the clues provided in the environment.
2. The Roof: This area houses a challenging ghost named "The Bellhop." Use the Dark Light to reveal hidden objects.
3. The Observatory: Here, you will find the second Dark Moon piece. Solve the star puzzle to progress.

Tips

- Utilize the elevator system wisely; some floors may have hidden areas or collectibles.
- Practice capturing ghosts in the more open spaces to improve your skills.

3. The Secret Mine

The Secret Mine is a chilly area filled with ice and snow. This mansion offers unique ghost types and environmental hazards.

Objectives

- Locate the third Dark Moon Piece.
- Capture the "Ice Ghosts."

Key Areas

1. Entrance: Use the Dark Light to reveal paths that are obscured by snow.
2. The Mine Cart Ride: This sequence involves navigating through a mine while avoiding obstacles.
3. The Frozen Chamber: This area houses the third Dark Moon piece. Be prepared for a challenging ghost encounter.

Tips

- Keep an eye out for ice patches that can cause Luigi to slip.
- Use the flashlight strategically to avoid getting ambushed by Ice Ghosts.

4. Treacherous Mansion

The Treacherous Mansion is filled with traps and supernatural puzzles. This area is known for its intricate design and ghostly inhabitants.

Objectives

- Uncover the fourth Dark Moon Piece.
- Solve the mansion's many puzzles.

Key Areas

1. The Entrance: Start by exploring the foyer thoroughly.
2. The Dining Room: This room hides many secrets; use the Dark Light frequently.
3. The Attic: Challenging puzzles await here. Capture the "Demon Ghost" for the fourth Dark Moon piece.

Tips

- Be patient with puzzles; some require multiple steps to solve.
- Always have your Dark Light ready to reveal hidden items.

5. The Last Resort

The final mansion is a luxurious hotel filled with difficult ghosts and the ultimate showdown.

Objectives

- Retrieve the final Dark Moon Piece.
- Face off against the main antagonist.

Key Areas

1. Lobby: Collect clues and gather your gear.
2. The Rooftop: A thrilling encounter awaits with the final boss. Utilize all your skills learned throughout the game.
3. The Final Showdown: Prepare for a multi-phase battle against the main ghost enemy.

Tips

- Use all the skills you've honed in previous areas.
- Stay calm during the final battle; it requires precise timing and strategy.

Collectibles and Hidden Treasures

Throughout your journey in Luigi's Mansion: Dark Moon, you will encounter various collectibles. Here are some to keep an eye out for:

- **Coins:** Collect coins to purchase items and upgrades.
- **Gems:** Each mansion contains hidden gems. Finding all the gems in a level will reward you with additional bonuses.
