Tips for Playing "My God is Awesome"

Playing "My God is Awesome" on the piano can be a rewarding experience, especially when you consider the emotional impact it can have on your audience. Here are some tips to help you deliver a powerful performance:

1. Practice Regularly

Consistency is key when learning to play any song. Set aside time each day to practice the chords and transitions. Familiarize yourself with the rhythm and dynamics of the song.

2. Focus on Dynamics

"My God is Awesome" has moments of soft reflection and powerful proclamation. Experiment with playing softly during the verses and building up intensity during the chorus. This dynamic contrast will enhance the emotional impact of your performance.

3. Use a Metronome

Keeping a steady tempo is crucial for maintaining the flow of the song. Use a metronome to practice your timing and ensure that you can play the chords smoothly.

4. Add Variations

Once you are comfortable with the basic chords, consider adding embellishments or variations. You can incorporate inversions, arpeggios, or even a simple left-hand bass line to create a fuller sound.

5. Play Along with the Track

If possible, practice playing along with a recording of "My God is Awesome." This will help you get a feel for the song's tempo and structure, making it easier to stay in sync with other musicians or vocalists.

Incorporating "My God is Awesome" into Worship Services

Once you have mastered the piano chords for "My God is Awesome," you may want to incorporate it into your worship services. Here are some ideas on how to do so effectively:

1. Opening Worship Song

Consider using "My God is Awesome" as an opening song for your worship service. Its upbeat tempo and powerful message can set a positive tone for the rest of the service.

2. Transition Song

Use the song as a transition between different parts of the service, such as moving from prayer to the sermon. Its uplifting nature can help maintain the congregation's focus and engagement.

3. Special Music Performance

If you're part of a music team, consider performing "My God is Awesome" as a special music piece. This can be particularly impactful during special occasions, such as holidays or church anniversaries.

4. Encourage Congregational Singing

Invite the congregation to sing along during worship. The simple chord structure makes it accessible for singers of all skill levels, encouraging participation and creating a sense of community.
