

nicki minaj chart history

Nicki Minaj chart history is a testament to her influence and success in the music industry. Since her debut, Minaj has consistently made waves on the Billboard charts, showcasing her versatility as an artist and her ability to resonate with a diverse audience. From her early mixtapes to her chart-topping singles and albums, Minaj's journey illustrates not only her personal growth as an artist but also the evolution of hip-hop and pop music over the past decade.

Early Career and Breakthrough

Mixtapes and Initial Success

Nicki Minaj's rise to fame began in the late 2000s with the release of her mixtapes. Her first, *Playtime Is Over* (2007), garnered attention for its clever wordplay and unique style. However, it was her second mixtape, *Sucka Free* (2008), that really put her on the map, featuring tracks that showcased her lyrical prowess and versatility.

- Key Tracks:
- "I Get Crazy"
- "Beam Me Up Scotty" (2009)

In 2010, Minaj released *Beam Me Up Scotty*, which included the popular track "I Get Crazy." This mixtape solidified her status as a rising star and led to a record deal with Young Money Entertainment.

Debut Album: Pink Friday

In November 2010, Minaj released her debut studio album, *Pink Friday*, which debuted at number two on the Billboard 200 chart and later reached number one. The album produced several hit singles that contributed significantly to her chart history.

- Notable Singles:
- "Super Bass"
- "Moment 4 Life"
- "Fly" (featuring Rihanna)

"Super Bass" became a cultural phenomenon, peaking at number three on the Billboard Hot 100 and earning multi-platinum certifications. The success of *Pink Friday* established Minaj as a formidable force in the music industry.
