are all grown up now; it's time for you to build your own houses." The first little pig built his house of straw, the second made his house of sticks, and the third little pig built his house of bricks.

One day, a big bad wolf came along. He huffed and puffed and blew down the straw house. The first little pig ran to his brother's house. The wolf followed and huffed and puffed until he blew down the stick house too. Both pigs ran to their brother's brick house. The wolf huffed and puffed but could not blow it down. Next, Goldilocks tried out the three chairs. Papa Bear's chair was too big, Mama Bear's chair was too soft, but Baby Bear's chair was just right. However, it broke when she sat on it! Finally, she went upstairs and found three beds. Papa Bear's bed was too hard, Mama Bear's bed was too soft, but Baby Bear's bed was just right, and soon she fell asleep.
