

origins ee guide bo3

Origins EE Guide BO3 is an essential resource for players looking to navigate the intricate Easter Egg quests in the "Origins" map of Call of Duty: Black Ops III. This iconic map, set during World War I, features a blend of zombies, powerful weapons, and the complex storyline that has captivated fans of the series. This guide will walk you through the various steps and strategies needed to complete the Easter Egg, as well as provide tips and tricks for maximizing your gameplay experience.

Understanding the Origins Map

The "Origins" map in Call of Duty: Black Ops III is a reimagining of the original "Origins" map from Black Ops II, expanding on its lore and gameplay mechanics. Players find themselves in a snowy landscape filled with mechanical zombies, ancient artifacts, and a rich backstory involving the four main characters: Tank Dempsey, Nikolai Belinski, Takeo Masaki, and Edward Richtofen.

The Storyline Background

The Easter Egg quests in "Origins" revolve around the quest for ultimate power and knowledge, with the characters seeking to uncover the secrets of the ancient German site. The map introduces the concept of elemental powers, represented by the four elemental staffs: Fire, Ice, Lightning, and Wind. Each staff has its unique abilities and is crucial to completing the Easter Egg quest.

Map Layout and Key Locations

Understanding the map layout is vital for successfully completing the Easter Egg. "Origins" is divided into several key areas:

1. Spawn Room: The starting point where players can gather weapons and prepare for the challenges ahead.
2. Generator Areas: Four generators must be powered up to access different sections of the map and unlock various features.
3. The Crazy Place: A mysterious realm where players can obtain the elemental staffs.
4. The Excavation Site: Central hub for many quests and the location of the final boss fight.

Steps to Complete the Easter Egg

Completing the Easter Egg in "Origins" involves several steps. Below is a detailed breakdown of the quest.

Step 1: Powering the Generators

To start the quest, players must power up all six generators located throughout the map. Here's how to do it:

1. Locate the Generators: Each generator is marked on the map. Players should work together to defend each generator while it powers up.
2. Collect Zombie Souls: Zombies must be killed near each generator to fill it with souls. Once enough souls are collected, the generator will activate.
3. Stay Vigilant: The area around each generator can be chaotic, so communication and teamwork are essential.

Step 2: Collecting the Parts for the Elemental Staffs

After powering the generators, players need to gather parts to build the elemental staffs. Each staff requires specific parts found in various locations:

- Ice Staff:
 - Obtain the Ice Staff Crystal from the excavation site.
 - Find the three parts: one in the Church, one in the Tank Station, and the last in the Generator Room.
- Fire Staff:
 - Collect the Fire Staff Crystal from the excavation site.
 - Locate the three parts: one in the Church, another in the Tank Station, and the third in the Generator Room.
- Lightning Staff:
 - Acquire the Lightning Staff Crystal from the excavation site.
 - Find the three parts: one in the Church, one in the Tank Station, and one in the Generator Room.
- Wind Staff:
 - Retrieve the Wind Staff Crystal from the excavation site.
 - Collect the three parts: one in the Church, another in the Tank Station, and the last in the Generator Room.

Step 3: Assembling the Elemental Staffs

Once the parts are collected, players can head to the respective pedestal locations to assemble the staffs.

- The Ice Staff pedestal is located in the Church.
- The Fire Staff pedestal can be found near the Tank Station.
- The Lightning Staff pedestal is in the Generator Room.
- The Wind Staff pedestal is in the excavation site.

After placing the parts in their corresponding locations, players must complete a series of puzzles or challenges related to each staff.

Step 4: Unlocking the Crazy Place

The Crazy Place is a crucial area for completing the Easter Egg. Players must interact with the pedestals in the map to unlock this realm.

1. Activate the Pedestals: Players need to place the respective elemental staff in the pedestals located in the Crazy Place.
2. Complete the Challenges: Each staff will require players to complete specific challenges while in the Crazy Place, such as defeating a certain number of zombies or solving puzzles.

Step 5: Defeating the Panzer Soldat

Once players have completed the challenges in the Crazy Place, they will need to face the Panzer Soldat, a formidable enemy that requires teamwork to defeat.

1. Use Elemental Staffs: Players should utilize their elemental staffs, as each staff has unique abilities that can help bring down the Panzer.
2. Stay Mobile: The Panzer can deal heavy damage, so keep moving and avoid getting cornered.

Step 6: Completing the Easter Egg Finale

After defeating the Panzer Soldat, players must return to the main map and perform a series of actions to complete the Easter Egg.

1. Interact with the Final Item: This typically involves interacting with a special item or location that signifies the end of the Easter Egg quest.
2. Watch the Cutscene: Completing the Easter Egg will trigger a cutscene that reveals more about the story and the characters.

Tips and Strategies for Success

Completing the Easter Egg in "Origins" can be challenging, so here are some tips to improve your chances of success:

- Communicate: Use voice chat or in-game messaging to coordinate with your team. Effective communication is vital for managing zombie hordes and executing strategies.
- Use the Right Weapons: Upgrade your weapons at the Pack-a-Punch machine to ensure you are adequately equipped for the challenges ahead.
- Plan Your Routes: Familiarize yourself with the map layout and plan your routes for

gathering parts and activating generators. This will save time and reduce the risk of being overwhelmed by zombies.

- Revive Teammates: Always keep an eye on your teammates and prioritize reviving them when they go down. Teamwork is essential for survival.

- Practice: If you're new to the map, consider practicing solo or in a private lobby to familiarize yourself with the mechanics before attempting the Easter Egg with a team.
