Understanding the Basics of a Lease Agreement

What is a Lease?

A lease is a legally binding contract between a landlord and a tenant. It outlines the terms under which the tenant can occupy the rental property. The lease typically includes details such as:

1. **Duration of the Lease:** The time period for which the tenant agrees to rent the property, often a year or month-to-month.
2. **Rental Amount:** The monthly rent the tenant must pay and any associated fees.

4. **Responsibilities:** Duties of both the landlord and tenant regarding property maintenance and repairs.

Why Use Plain Language?

Using plain language in a lease document has several advantages:
