Key Ingredients

The effectiveness of any hair care product often lies in its ingredients. Here are some of the key components found in Pura D'or Hair Thinning Therapy Energizing Scalp Serum:

1. **Biotin:** Known for its role in strengthening hair and nails, biotin is a crucial vitamin that supports hair growth and health.
2. **Caffeine:** Caffeine is believed to stimulate hair follicles, promoting hair growth while potentially combating hair loss.
3. **Niacin (Vitamin B3):** This vitamin improves blood circulation to the scalp, which can enhance hair follicle function.
4. **Aloe Vera:** Renowned for its soothing properties, aloe vera helps to nourish the scalp and reduce irritation.
5. **Argan Oil:** Rich in essential fatty acids and antioxidants, argan oil moisturizes the scalp and helps to prevent dryness and flakiness.
