Structure of "Gustar"

- Singular Form: When referring to a single item or activity, use "gusta."
- Example: Me gusta el libro. (I like the book.)
- Plural Form: When referring to multiple items or activities, use "gustan."
- Example: Me gustan los libros. (I like the books.)

Common Mistakes with "Gustar"

Students often make mistakes with "gustar." Here are some common pitfalls to avoid:

1. Incorrect Subject-Verb Agreement: Ensure that the verb matches the subject in number.
 - Incorrect: Me gusta los deportes.
 - Correct: Me gustan los deportes.
2. Misplacing the Subject: Remember, the subject of the sentence is often the thing that is liked, not the person who likes it.
